2. COMMUNICATIONS: The question of drawing up a separate 'Road' programme for development of communications in Maland area in South Kanara was considered by Govt previously but dropped in view of the financial stringency The following works, which lie in the Malnad area in South Kanara, have however been sanctioned by Govt.:-

(1) Constructing causeways at M 23/6,24/3, 21/3 and 27/3 of the Bisley Ghat road under the Central Road Fund Programme.

(2) Constructing a submersible bridge over Gundia river at M 15/1 of the Bisley Ghat road under the Post War Road Development Programme

Besides this, a proposal for forming an all weather road from Darbe to Subramania via Nethikalkutta is under examination. The Govt. of India have been addressed to treat this work as grant-in-aid work under the scheme for development of inter-State roads, roads to areas inhabited by tribes, and roads to areas not having railway facilities. Their reply is awaited.

The question of taking up the under-mentioned works in Malnad area of S. Kanara Dt. under the Central Road Fund Programme is also under examination:--

(1) Constructing a bridge at M 19/2 and causeways at M 11/2,23/4 and 28/8 of Ariadka Nethikalkutta Subramania road.

(2) Constructing a Causeway at M 0/7 of Kolgunda Subramania road.

(3) Constructing a causeway at M 8/1 of Jalsoor Subramania road.

3. No communication in regard to the development of communications in Malnad area has been received separately in this Department from the Govt. of India

4. This may be given to 'B' Section for consolidation.

Electricity

2(i) The works on the extension of power supply to Malpe, Kodavur, Kalyanpur, Udyavar, Brahmavar, Mabukal, Katapadi and Kaup covered by the "Acquisition and improvements to the Udipi Electrical Undertakings" have been sanctioned and are under execution.

The Electrical Undertaking at Karkal was acquired and additional diesel sets were installed to improve the supply conditions.

Power supply to Puttur, Mudabidri, Vandse, Koondapur Baindur, Kumbla, Kasargod, Hosdrug and Nileshwar Ajekar and Kota will be feasible only after Jog Power is made available. These villages will be included in the schemes under preparation for the respective areas.

A thermal scheme with a diesel engine station at a central place for catering electric supply to Uppinangadi, Kokkada, Bethangadi, Vennur, Ujre and Dharmsthala is under investigation.

The question of extending supply to Sullia by installing a small oil engine station will be examined.

(ii) No communication was received from the Central Government.
